EXPERIENCE

Director/DP/Editor — 'Becosplay' (Short Observational documentary)

MAR 2024 - MAY 2024

- Directed and shot a short documentary in which I planned an interview and observational style film
- Edited the film using premiere pro, as well as After effects for text based motion graphics

DP/Editor — 'Into the Subcastle' (Short documentary)

FEB 2025 - MAY 2025

- Collaborated with my crew to conduct an efficient multicam shoot of two subjects.
- Created visually interesting compositions within a limited timeframe
- Produced a creative montage style edit focusing on the highlights of the overall shoot.

Camera Op/Editor, — 'HoneyBeeHappy' (Client Work)

MAR 2025 - MAY 2025

- Produced video content for a client
- Worked from a client brief
- Create a time efficient edit suitable for social media distribution

EDUCATION

BA (HONS) Film Production, University of Winchester Degree

SEP 2023 - SEP 2026

- Ongoing study of film production, with a final projected grade of a 2:1
